

7- DAY SAILING EXCURSION IN NORTHERN SPORADES

2019 PROGRAMME

Marine and Sailing Enterprises S.A. are again organizing weekly programmes for marine vacation in the complex of the Northern Sporades. By joining this marvellous excursion you will enjoy the beauty of Greece in a unique vacation by sailing in the fascinating Aegean, swimming in the clear blue sea, discovering lonely islands and secluded beaches, visiting picturesque villages, relishing Greek specialties at the local taverns and night clubbing at the Islands.

Our well-trained and experienced skippers as well as our fully equipped yachts guarantee a safe and unforgettable vacation. If you know about sailing you are welcome to give the skipper a hand, if not, you might learn some basics about it. Or you can also just relax and let the skipper take care of everything. Our boats depart every Saturday at 7:00 a.m. from the Marina of Thessaloniki and return there the following Friday evening.

The full program of the excursion is as follows:

- **Friday**, we gather at 18:30 (those who are already in Thessaloniki) at our company's office where you meet your skipper and get acquainted with the rest of the group.
- **Saturday** we meet at 7:00 a.m. at the marina of Thessaloniki and set sails. In the afternoon we stop for swimming, lunch and relaxation at Posidi, a beautiful beach on the first peninsular of Chalkidiki. Saturday evening we depart for some exciting night sailing to the island of Kyra-Panagia (N. Sporades) and arrive at Agios Petros (the South harbour of Kyra-Panagia) at dawn. In this way we experience the night sailing and gain one extra day in the Sporades Complex. If the weather conditions are inappropriate, Saturday evening we sail to the picturesque little harbour of Skioni (Chalkidiki) and depart for Kyra-Panagia on Sunday morning. The uninhabited island Kyra-Panagia belongs to the Sporades complex, with pristine clean sea, it is mountainous and full of beautiful cliffs, ideal for climbing and exploring.

- **Sunday** noon we sail to Steni Valla on Alonissos island. There we could get provisions from the market situated on the harbour, taste fresh fish and traditional Greek cuisine at the local taverns and also visit the old capital of Alonissos with its beautiful architecture and the panoramic view.

- **Monday** morning we head for Skopelos. On our way there we anchor in one of the beautiful bays of Peristera for swimming and arrive in the afternoon at the picturesque harbour of Skopelos. There we could taste the local specialties (Skopelos' cheese pie), have fun at the local bars and clubs and visit the numerous little churches. Even a simple stroll through the narrow streets of Skopelos is a memorable experience.

- **Tuesday** morning we sail around Skopelos and anchor and swim –depending on the weather- either at Panormos harbour, which is on Skopelos or at Tsougria Islet, which is South of Skiathos. Later on, we set sail for the cosmopolitan island of Skiathos. Here, it is worth visiting the house of the famous writer Papadiamantis. Skiathos, also known as the «small Mykonos», has many luxurious shops and an exciting nightlife with an international flavor in numerous bars and clubs
- **Wednesday** early in the morning we set sail for Kamari (Pilio), a picturesque, small, well-protected harbour. On our way there, depending on the weather, we stop for swimming either at the renowned pebble-beach “Lalaria” or at Agios Giannis, at the foothills of Pilio Mountain. We spend the night in Kamari.
- **Thursday** morning we depart for Stomio (Tsagietzi) and arrive in the afternoon; there we can swim at the sandy beach and enjoy fresh seafood at the local tavern by the sea. In the evening we set sail for Epanomi and anchor –depending on the weather- either at the wreck or the harbour of Epanomi.
- **Friday** morning we depart for Thessaloniki and arrive at the marina in the afternoon. At the Marina, with our captain’s help and instructions we clean and tidy-up the boat.

The price of this 7-day excursion is **500,00 Euro** per person and includes: accommodation on board, fuel and water for the boat, skipper and moorings. In order to register, a 50% payment in advance is required (250 €) while the rest 50% (250 €) should be paid –the latest- one week prior to departure.
