

RACING SAILING SCHOOL

APRIL – JUNE 2019

In the races we participate with yacht **MYTILANA GRE1708**. Prior to each race we do some theory on the races and we practice for 1 to 2 hours -depending on what time the races start-. The racing team meets at the Marina of Thessaloniki, we do a little theory, we then do some training and finally we participate in the actual races.

There are two groups –Saturday's and Sunday's groups and you may choose to enroll in one. Those who wish can enroll in **both groups and participate in all the races** (Saturdays' and Sundays'). The detailed program follows:

1. Theoretical Lessons:

The theoretical lessons take place onboard, where we analyze:

- How to prepare the yacht and the crew for the race
- Sail trimming
- Tactics regarding the starting line
- Race's tactics (taking under consideration the route and the weather conditions)
- Racing regulations

2. Training - Racing:
